Town Committee (if applicable): Acton Community Housing Corporation

Project Name: Community Housing Program Fund

Project Location/Address: ACHC c/o Acton Town Hall

Amount Requested: \$50,000

Project Summary: In the space below, provide a brief summary of the project.

ACHC is requesting \$50,000 to be added to the existing Community Housing Program Fund for "the acquisition, creation, preservation, and support of community housing in the Town of Acton."

The Program Fund is used to finance new affordable housing initiatives. This set-aside fund is retained by the ACHC and earmarked for appropriate affordable housing activities recommended by the ACHC or any other entity approved by the Board of Selectmen. Expenditures from this Fund must be approved by the Board of Selectmen under the ACHC powers established through Home Rule petition (Chapter 143 of the Acts of 1996, § 1)

The value of such a Housing Fund is in the broad definition for its use that allows the ACHC, or other affordable housing groups, to react to opportunities as they are identified and not to restrict it to specific projects or activities. Very often these specific uses are not known in advance of the normal CPA funding cycle which is six months in advance of the Town Meeting vote. The Program Fund would be used only for allowable CPA affordable housing purposes to provide a diversity of affordable housing opportunities for Acton residents, their adult children, and employees who work for and in the Town, as well as new residents from outside of Acton.

With this request, ACHC proposes to continue our current programs and initiate new ones. The Condo Buy-Down program began in 2007. This Program applies to existing housing units or new construction units in non-40B developments in Acton. The sellers receive a payment at the time of closing to lower (buy-down) the selling price to a pre-determined affordable level so the unit could be sold to income eligible households earning up to 80% of the Area Median Income. In exchange, a deed restriction is placed on the property to keep the unit affordable into perpetuity and the unit is added to the Town's Subsidized Housing Unit Count. ACHC has created two affordable units in the past year using this program.

We may also have two single family deed restricted units come up for resale in the near future that may need some funds for improvements as well as assistance for eligible buyers. The ACHC would be responsible for administering the re-sales by finding eligible buyers.

ACHC will continue to partner with the Acton Housing Authority to buy existing condo units for their low income rental program. A combination of CPA, AHA, and housing gift funds would be used to fund these acquisitions. The current housing market offers an excellent opportunity to find these units at reduced prices.

ACHC developed a Down Payment and Closing Cost Assistance Program this year and has assisted 6 first time homebuyers purchase a home. In our experience, it appears one major obstacle to being ready to buy a home is the lack of funds for a 3-5% down payment and the closing costs which can be in excess of \$5000.

ACHC has access to privately funded housing gift funds that would be used as leverage for these programs in addition to the requested CPA funds.

These programs are consistent with the Goals established by the Community Preservation Committee to address the housing needs of the community as detailed in the 2009 Community Preservation Plan.

The use of the Community Housing Program Fund for affordable housing opportunities is consistent with this Goal in the Acton Master Plan.

Goal: Encourage diversity in Acton's population by achieving a mix of homes that enhances Acton's town character and provides needed choices for our residents.

Objective: Preserve the character of Acton's established residential neighborhoods.

Objective: Promote a range of economic diversity in housing including low and moderate income housing.

Objective: Promote a range of choice in the types of homes to allow for residents' changing capacities and preferences.

Acton's Community Development Plan entitled "To Live in Acton" identifies five priority housing needs that could be addressed through the use of the Community Housing Program Fund. These are the priorities:

PRIORITY HOUSING NEEDS:

- #1 Low-Income Rental Units
- #2 Affordable Senior Apartments
- #3 Moderate-Income Homeownership
- #4 More Choices for Seniors
- #5 Below-Market Homeownership
